The demands for 10 Sepoys to be always on duty seems excessive in my opinion. Hence I have subject to approval, allowed in the draft G.O. only the scale usually admissible for a District Treasury.

This strength may, if necessary, be increased hereafter when proposals to readjust the guard strength of the State Treasuries as a temporary measure are received from the Chief Cancn and Aud

I have personally brought to my notice this morning the urgent necessity of strengthening the Bowringpet branch of the Mysore Bank open in view of possible

developments
in connection with
the outbreak of war
against Turkey.
There is a lot of rowdy
element in Bengal
and they have every
to gain and nothing
to lose by taking adva
of the slightest opportu
to create a disturbance

There is perhaps a good
deal of ferment in
the lower strata of
Mahommedans here
They are keenly watchin
the happenings in
the North of India
& other places
The Bank & Treasur
will be the first place
to be attacked by them
in any riot

The present Barrack is at the Bank is useless for any purposes of defence - I request that in a quick way the guard may be increased to 10 men to be always on duty with rifles and ammunition until the Crisis is past. I enclose Mr Rose's letter

yours sincerely

Dear M. Puttanna Chetty

In view of recent events, I think it advisable to have the Bank strongly guarded by day & night. So beg to suggest your having an interview with the Commandant of the Bangalore Guard, & asking him for a squad of 10 men to do constant duty on the premises.

To write

formal application will necessitate an explanation, and I wish to avoid this for obvious reasons

Yours sincerely

Dear Mr Rose, This is mysterious. May I kindly ask you to inform what are the recent events to which you refer? I did not hear of them! yours sincerely

Dear Mr Pattanna Chetty

Re "recent event"

allude to in my letter of date is the declaration by the Indian Govt of a State of War with Turkey, consequent upon her alliance with Russia &c. I fear there may be some misguided fanatics who may create local riots & attempt plunder. — The Bank at present, is quite independent of any such action

Yours sincerely
